- Stress-free integration: Computer cart ships fully assembled for easy set-up
- Adaptable design: Modular design adapts to changing needs and spaces

MAXIMIZE PRODUCTIVITY AND PROMOTE WELL-BEING

STYLEVIEW[™]

This durable mobile workstation brings technology and tools wherever work needs to happen to help eliminate extra time-consuming steps that can contribute to errors or workplace discomfort and injuries. It helps people work comfortably and efficiently to boost productivity in advanced manufacturing, logistics and other fast-paced environments.

STYLEVIEW™

LED indicator light and low battery alarm support uptime by keeping battery life top of mind.

Four LED lights keep the keyboard tray visible in low-light areas to help reduce eye strain.

Rear storage basket and scanner holder keep task-related items close for easy access.

Four lockable casters and compact base maneuver easily around corners and tight spaces.

***Durable, easy-to-clean exterior protects against wear and tear.
Dark grey color hides dirt and dust common in busy environments.***
